...I used the Register for an Open House, it is simple and easy to use, yet effective. It's core is Technology based, yet it is the people who make the true difference. They are efficient and personal at the same time. Thank you for making my job easier.

...Hi Randy,

I just wanted to thank you for the e-mail you did for me last week. The ad went out Friday morning and Realtor responded to it Friday Afternoon. He had a client in from California and had shown the house to her. They wrote a contract on it Saturday. We're settling at the end of the month.

I thought you'd want to know that this type of information media does work and you guys do good work.

Thanks again and I won't hesitate to use you again. I'll pass this story on to my colleagues. Take Care,

...Hey Randy,

Just wanted to take a moment out of my day to say thanks. My phone has been ringing since 1:55pm, an my e-mail is slammed with responses. I knew with the first phone call that you must have put the e-mail out. Thanks again for your work.

Thanks again! You're the best!
